

## IMPORTANT NOTES

### GST For Australian Schools:

- This catalogue displays our list price only throughout. It does NOT include the GST component. Points two and three explain how to calculate the GST payable by Australian customers on the value of an order including freight.**
- The total price per item** is the "list price" plus the GST. GST is also payable on freight packing and handling charges. GST is calculated on an item by item. See the examples below:

eg 1	20 Paces @ \$3.70	7.40 (GST)	\$81.40 (line total)
	freight @ \$13.00	1.30 (GST)	\$14.30 (line total)

**For overseas customers: The total payable per item is the "list price" only.**

Goods must be shipped out of the country within 21 days to not incur GST.

- Your invoices** will record the individual tax amounts applicable to each item. See below
