Accelerated Christian Education is aggressively developing its new and exciting 4th Edition curriculum. As students complete these PACEs, not only will they find A.C.E.’s proven mastery-based, self-instructional approach, but they will also be excited with the new appearance and the updated content. This 4th Edition curriculum incorporates even more Scripture and more Biblical principles with the goal of helping your students continue to develop Godly character as they grow strong in the Lord. Fourth Edition will begin with the subjects of science and social studies.

Remember, when ordering the new 4th Edition PACEs, you will also need to order new Score Keys. Visit www.aceministries.com and click on New Arrivals to check for availability.
