SPONSORS’ RESPONSIBILITIES

This Sponsors notice is provided to give you a brief overview of the responsibilities you will have as the leader of your young people at Student Convention. It is important to remember that the Convention Director is the final authority.

• To be eligible as a Sponsor you must be at least twenty-one years of age and hold the appropriate Working with Children clearances if required.

• There must be at least one male sponsor for every one-to-ten boys and one female sponsor for every one-to-ten girls in your group.

• A school/family may assume responsibility for students from another school/family, provided this does not exceed the one-to-ten ratio.

• A female sponsor must sponsor only female students, and a male sponsor must sponsor only male students. There is an exception for families – parents may sponsor their own children, however a parent attending full-time and sponsoring a child of the opposite gender may not take responsibility for any other full-time students of other families or schools.

• All students must be directly responsible to a specific sponsor at all times.

• You are the key to good attitudes and cooperative spirits among the students. If sponsors complain, argue or "test" the rules, their students will mirror these attitudes during the week.

• Your first Convention responsibility is to your assigned students. If you are planning to judge, please indicate on your Sponsor Registration Form who will be directly responsible for your students while you are judging.

• You must reside with your students where assigned and it is your responsibility to ensure punctuality to events and meals, and to have your students in their respective rooms, ready for bed before lights out.

• All sponsors and students must be present the entire week of the Convention and must attend all rallies and remain until dismissed.

• It is important that you spend time leading your students in daily devotions during Convention. Daily devotions are a necessary tool for training our young people in the nurture and admonition of the Lord.

• Sponsors and students are to show deference to those who practice denominational distinctives at their local churches. Convention participants are asked to abide by the principles of Romans 12:10 during the Convention, "Be kindly affectioned one to another with brotherly love; in honour preferriong one another,...". Sponsors and students are asked to refrain from discussing denominational distinctives with anyone outside their own group during Convention.

• Events at Student Convention will be scheduled and contestants must be available to perform at those times. If there are clashes in the timetabling, the student and sponsor are to go directly to the Coordinator of the event and schedule a new time.
• Please remember it is your responsibility to meet all dress code requirements and to ensure your students are also meeting the dress standards while at Convention. Do not allow yourself to be embarrassed, or your students to build a bad spirit, by failing to be an example of the dress standards to them.
