GOD IS GOING TO DO “A NEW THING”

Behold, I will do a new thing, now it shall spring forth; shall you not know it? I will even make a road in the wilderness and rivers in the desert.
Isaiah 43:19 (NKJV)

Isaiah 42:9 Behold, the former things are come to pass, and new things do I declare:

Verse 18 states “Do not call to mind the former things; pay no attention to things of old.”

God spoke a faith-path out of Israel's seventy-year captivity into freedom and redemption. God was and still is calling His people out from the old and into the new. He was calling things that were not as though they had already happened. As far as God was concerned, it was already a done deal.

Behold. It actually means to stand in awe and be amazed – WOW! When was the last time that you stood amazed with something God said? His announcement in Biblical times and now to us for 2019 is a statement of His character – He is the Redeemer, He is the Restorer, and He is the Re-creator. He will take us from rags to royalty.

He will reproduce His Son in us and release us to reign over the part of the kingdom for which we are responsible.

For us and for them. In the same breath of speaking a faith path out of your situation, saying to you that He is going to do a new thing for you, God is also announcing hope for humanity through Jesus Christ and the grace of the Gospel. He has given us a ministry of reconciliation; we are His ambassadors, proclaiming His majesty and grace.

2 Corinthians 5:17 *Therefore if anyone is in Christ, he is a new creation. The old has passed away. Behold, the new has come!*

EXCEEDINGLY ABUNDANTLY ABOVE

²⁰ *Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us,* ²¹ *to Him be glory in the church by Christ Jesus to all generations, forever and ever.*
Amen. Ephesians 3:20-21 (NKJV)

In doing a new thing I believe it will be exceedingly abundantly above all we pray or think. It is going to be awesome! In the light of God being our sufficiency for the development of godly characteristics, a benedictory prayer like this one in Ephesians 3 becomes an appropriate and instructive response.

It begins with the most critical issue for living the Christian life, the ability of God: “*Now to Him who is able.*” Natural religious thinking would set forth the ability of man as the most vital matter in developing a godly life. Such an approach would leave us striving vainly under the law, attempting to live up to God's perfect standards by our own inadequate resources. Praise be to God! There is a heavenly, effective option: relying on God's ability.

*So much is on the
Horizon. So much lies
ahead in 2019 and
beyond.*

Think of the immeasurable ability of the Lord. *"Ah, Lord God! Behold, You have made the heavens and the earth by Your great power and outstretched arm. There is nothing too hard for You"* (Jeremiah 32:17). He created the entire universe. Certainly, by His power He is able to strengthen us. *"Behold, I am the LORD, the God of all flesh. Is there anything too hard for Me?"* (Jeremiah 32:27). Our Lord rules over all of humanity. Surely, He is able to manage our lives. Actually, our God is *"able to do exceedingly abundantly above all that we ask or think."* Everything we could ask concerning His will, He is able to do far beyond. Whatever we might contemplate but hesitate to ask, He is able to surpass.

life in and through us. Then, we give Him the glory for His exceedingly abundant ability. His Holy Spirit is always ready to empower us to do better and reach further than before. Think about Peter in Acts after being endued with power from on high. The traitor experiencing God doing a new thing in and through him. He explains: this gift is for you and your

carved a road to lead you and made declarations of provision to lead you into new territories.

So much is on the horizon, so much lies ahead in 2019 and beyond. Don't be discouraged by your old experiences and efforts or the obstacles in the road or detours on the path. Decide to confess with God, continue to trust, put your faith in God and speak NEW things into your wilderness or your perceived impossibilities.

A new thing is going to happen in your life, in your church, in your school, in your community, country, and across the world and you will be amazed.

*Don't be discouraged
by your old experiences
and efforts.*

HIS POWER AT WORK IN US:

One amazing aspect of God exercising His ability on our behalf is the imparting of **His power** within **our lives**: *"according to the power that works in us."* This is how the Lord wants to develop godliness in our lives. He, Himself, desires to work by the power of His grace deep within our hearts. *"For it is good that the heart be established by grace"* (Hebrews 13:9). Again, the Christian life is not affected from the outside in, hoping to modify our behavior by external religious pressures. Rather, it involves a true change of character within, affected by God Himself. This is how God is ultimately glorified in the lives of His people: *"to Him be glory in the church."* He works a genuine transformation of

children and for everyone who is afar off. That includes you dear reader.

Today, I believe the Lord would say to His people, *"BEHOLD! I am doing a new thing."* He is calling us to come up and out of the ordinary, rising above our limits. He is asking us to SEE and RESPOND to His hand of preparation and purpose in our lives and in the Church - His Bride - To behold what He has done, is doing, and will continue to do as we live righteously, according to the Word of God and with a vision to see His kingdom come here on earth.

Are you expecting God to do a new thing in your life? That may seem overwhelming when you consider your present circumstances but take courage – the Bible declares that God has made a way. He has

PRAYER:

Father God, thank You for going ahead of us to plan the path for our lives. Help us to expect something new, which will be exceedingly abundantly above our prayers, our thinking, and all our strategic plans. Lord, let us stand amazed as you work your will in and through our lives. Amen.

SELAMAT TO OUR INDONESIAN SCHOOLS!

I can't believe it is 2019 already! It was amazing to see the wonderful end of year graduation ceremonies from various schools back in June. How quickly time has flown since then. In just another 6 months there will be a whole new group of graduates. I hope your holidays were a restful time where you were able to rest and prepare for the last semester of the year. Please know that I am praying for you as you daily teach your students about our amazing God who sent His Son to die for us, and who raised this same Son from the dead so that we could be made right with Him. May they come to know and follow Him as their personal Lord and Saviour. I look forward to seeing you soon. God bless!

Ps. Stephen Khu
Pastoral Coordinator for Indonesia

KIA ORA NEW ZEALAND!

Welcome to 2019! I hope that this year holds many blessings, new experiences, and exciting stories for you and your students! This year we are looking at a 'New Thing' (Isaiah 43:19), and what that means for us as schools, as we move forward and aim towards an abundant life that only knowing Jesus can bring. I am looking forward to meeting with you all again, visiting your schools, and spending time together at Conference and Student Convention. I am also looking forward to working alongside you again as together we reach New Zealand for Christ, one student at a time.

God bless! Ps. Karl Duxfield
Pastoral Coordinator for NZ

BULA FIJI!

Wow, we can't believe that it is 2019 already! We trust that all our schools and home-schoolers in Fiji are ready to experience His blessings and favour this year! How quickly has 2018 come and gone. We are very much looking forward to the Educators' Conference in Fiji this year! We have a great expectation that it is going to be a wonderful time of fellowship with all the Educators, but also a time of great spiritual growth and encouragement. Please know that all of you are always in our prayers. We truly appreciate your commitment to the ministry of A.C.E. and for caring so much for all your students. Please continue to run the good race, and through doing so, impacting many students lives. Hold dear to the saying that, through the ministry of A.C.E., we are changing the world for Christ, one child at a time! We look forward to seeing all of you soon!

Ps. Atraú & Marcelle Paul
Pastoral Coordinators for Fiji

GREETINGS TO THE BEAUTIFUL SOLOMON ISLANDS

With 2019 upon us, it's time to celebrate what a wonderful year it has been! Regardless of what kind of year you had - good or bad; up or down - I encourage you to hold fast to the good and let that be your memory.

Paul puts it like this;

"Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

Not just for your past, but let this be mindset for your present and future, constantly remembering salvation and what Jesus has done for you. I remember you in my prayers always and look forward to what God is going to do in the nation this year.

Blessings, Ps. Ben Davies
Pastoral Coordinator for Solomon Islands

GREETINGS TO THE PORT MORESBY REGION

To my Brothers and Sisters in Christ Serving in the Southern Region of PNG, welcome to another year of opportunities to serve our Saviour Jesus Christ. I hope that both staff and students have enjoyed the school holidays and refreshed, ready for the new year. I am praying for a fruitful year as you train up and disciple children for the Lord who will have an impact on the nation of PNG. I also pray for the staff that are taking part in our SET and SEW programme, that you will be blessed and better equipped for your roles in your ministries.

Ps. Justin Croome
Pastoral Coordinator for the Southern Region, PNG

DEAR PNG HIGHLANDS SCHOOLS

Welcome to 2019! I personally want to express my love and encouragement for you all in this New Year. Let's be better than the year before! Let's take 2019 on with a new passion and a deeper desire for connection. Let's encourage our neighbours and build up our team to achieve all that is possible in our great walk with God. I am filled with hope and passion for you all for this New Year.

I am aware that there are political and physical barriers that have come against some of you previously, and this year I want to pray with you to see your schools and homes become the beacons of light written about in Matthew 5:14. This, that you may stand out in your areas and impact those around you. I look forward to seeing you as soon as I'm approved for travel.

God Bless! Ps. Johnathan Albrecht
Pastoral Coordinator for the Highlands Region, PNG

GREETING TO OUR WONDERFUL SCHOOLS IN PNG NORTH COAST AND PNG ISLANDS.

The school year is once again about to begin and I'm excited to think of the great things that will happen in each school during 2019. I believe that this will be an important year in the life of your school as we work together to raise the standard of Christian education in PNG. I trust that you have had a rest and an enjoyable time with family during the break, and that you're all prayed up and ready to start the New Year with a strong vision for your school. I am praying for you too, and believe that the work you do in your school will impact the lives of your young people for Christ. May each one come to know and love Him as their own Saviour. I hope to see you all throughout the year.

Ps. Kathy Fisher
Pastoral Coordinator for the Island Regions, PNG

2018 GRADUAT

by Stephen Khu

To the Indonesian Class of 2018, we at SCEE would like to wish you a massive CONGRATULATIONS! Well done to all the students who have successfully completed another year of school.

What an amazing moment it is to stand in front of family, friends, teachers, and the wider school/church community being congratulated for all of the effort you have put in throughout the year. It is such a special moment, particularly if you are one of the graduating

students. Whether it is graduating from Kindergarten or from High School, it is such an exhilarating feeling to be there!

For those wondering why the early celebrations, in early June our A.C.E. schools in Indonesia finished their academic year, with many of the schools holding their annual end of year celebration/graduation services. It has been quite the experience to follow along via social media and seeing the many colourful outfits worn by both

the students and the staff, seeing parts of the wonderfully choreographed performances, and seeing the joy written on all of the faces as everyone celebrated the end to an incredible year.

Here are some photos from a number of our schools. Enjoy!

If you would like the opportunity for your school to feature in a similar article, please feel free to forward photos to us of your school's end of year celebration/graduation ceremony.

PLEASE PRAY FOR THE PEOPLE OF CENTRAL SULAWESI!

Our ministry is in Central Sulawesi; we serve indigenous people there. We were in Jakarta, due to my husband having surgery last month. We were supposed to go back to Palu and then to our site last Friday 28th, but we reschedule it to the 1st October. Then we found out there was an earthquake and tsunami. We were supposed to stay in the hotel Roa2 for one day transit; it was completely demolished by the tsunami.

We are so sad and feel for the victims in Palu. But God has saved us for His purpose.

DOES GOD EXIST?

by Mark Bromley

IT Program Manager (BTh, Prince2, PMBOK, MCSE, OGG)

Curriculum writer - SCEE

The question of God's existence is one of the most important questions any person can contemplate. Those who believe that God does not exist are called atheists. Atheist cosmologist Stephen Hawking states:

"I believe the simplest explanation is that there is no God. No one created the universe and no one directs our fate. This leads me to a profound realization that there probably is no heaven and afterlife either." Another prominent atheist, Richard Dawkins writes *"There is at bottom no design, no purpose, no evil, no good, nothing but pitiless indifference. We are machines for propagating DNA. It is every living object's sole reason for being."* Others have come to radically different conclusions about God's existence. Albert Einstein states, *"the more I study science, the more I believe in God"* and C. S. Lewis writes, *"I believe in God as I believe that the sun has risen, not only because I see it, but because by it, I see everything else."*

So why is this question so critical? I propose three primary reasons why God's existence is important

1. If God does not exist, life is ultimately meaningless. If your life is doomed to end in death, then ultimately it does not matter how you live. In the end it makes no ultimate difference whether you existed or not. Your life might have a relative significance in that you influenced others or history. But ultimately life is inconsequential. *"I have seen all the things that are done under the sun; all of them are meaningless, a chasing after the wind"* (Eccl. 1:14)
2. If God does not exist, then we must ultimately live without hope. If there

is no God, then there is ultimately no hope for deliverance from the shortcomings of our finite existence. There is no hope for deliverance from evil; there is no hope of deliverance from aging, disease, and death. *“Remember that you were at that time separated from Christ, alienated from the commonwealth of Israel and strangers to the covenants of promise, having no hope and without God in the world”* (Eph. 2:12)

3. **If God does exist, then there is also the possibility of coming to know God and His love personally.** That an infinite God should love us and want to our friend surely is the highest status a human being could enjoy. *“And this is eternal life, that they know you the only true God, and Jesus Christ whom you have sent”* (John 17:3)

It is important to realise that, at this time, God cannot be empirically proven, however, a belief in God can be shown to be rational, even if His existence cannot be proven scientifically. There are three main categories of arguments for God's existence

1. **Ontological Arguments** – these seek to demonstrate God's existence by considering the

idea of God Himself. These arguments are based entirely on reason. God's non-existence is seen as impossible and the claim that God does not exist as self-contradictory. Apologist Ravi Zacharias writes *“to sustain the belief that there is no God, atheism has to demonstrate infinite knowledge. Because their declaration is tantamount to saying, I have infinite knowledge that there is no being in existence with infinite knowledge”*.

2. **Empirical Arguments** (Cosmological and Teleological proofs) – these seek to demonstrate God's existence by drawing on evidence provided by observation of the material world. *“The heavens declare the glory of God; the skies proclaim the work of His hands. Day after day they pour forth speech; night after night they display knowledge. There is no speech or language where their voice is not heard. Their voice goes out into all the earth, their words to the ends of the world”* (Psalms 19:1-4). One of the most famous empirical arguments is the Kalam Cosmological Argument which is based on the argument for a first cause of the beginning of the universe. It briefly states that:

- a. whatever begins to exist has a cause,
- b. the universe began to exist,
- c. therefore, the universe has a cause.

3. **Moral Arguments** – these seek to demonstrate God's existence by the human experience of being a moral creature. It seeks to answer the question of where our moral awareness comes from.

Well known apologist, William Lane Craig, gives five reasons to believe God exists:

1. God makes sense of the origin of the universe;
2. God makes sense of the fine-tuning of the universe for intelligent life;
3. God makes sense of objective moral values in the world;
4. God makes sense of the life, death, and resurrection of Jesus;
5. God can be known and experienced.

In the end, God's existence must be accepted by faith (Heb. 11:6). However, our faith in God is not a blind leap into the dark; it is a safe step into a well-lit room. In conclusion we would do well to heed the words of Psalm 14:1: *“Only Fools say, “There is no God”* ■

The Apologetics articles will be used for an essay type assignment towards credits for your Christian Educators' Certificate.

LEADERSHIP TRAINING INSTITUTE

Accelerate Educational Ministries (SCEE) launching an exciting new initiative. We are excited to introduce Peter Trim, who is involved in vocational training on various levels for the past two decades. Peter will serve as a pastor in our ministry and also assist in starting up and running our tertiary solutions. We will offer a limited number of Cert I, II, III and IV soon and hope to have our Leadership Institute and Bible College up and running in 2019. – Senior Pastor and MD Slabbert Pretorius

Vocational Training

The vision of this initiative is to enable *Accelerate Educational Ministries (SCEE)* to provide lifelong learning pathways from early childhood through to retirement, enabling participants to Learn, Lead and Leave a Legacy.

This initiative includes the establishment of a new department, focussed on the development of Adult (year 10 and up) education and training that will work hand in hand with existing programmes and departments.

This will create pathways for many people including A.C.E. students, their supervisors and monitors, home-schoolers, distant education students, and private school students and staff as well as their wider Christian communities through access to vocationally based education.

Initial offerings will include:

- Christian ministry
- Business
- Leadership
- Information Technology
- Teaching English to Students of Other Languages (TESOL)
- Christian Educators qualifications

Many of these programs will be offered both face-to-face and via distance to enable them to be available to as many as possible. Local Christian communities may also be able to partner with us to deliver a local version of the training complete with their own emphasis and flavour.

These training programs will also produce skilled workers for Christian

communities, while in some cases including opportunities for participants to visit and support our many partners operations, both local and remote, throughout the world, through the use of their newly acquired skills

Our plan is that over the next six to twelve months to begin to attain recognition for many of these programmes in several countries, starting with Australia and the United States of America. This will add credibility to our programmes and begin to provide pathways into both employment and further education through the establishment of formal recognition agreements. It will also provide opportunities for practitioners in the field to have their existing skills recognised through an RPL (recognition of prior learning) process.

We expect to launch our first programmes early in the new year (keep a watch out for ones you can be involved with) and these will be expanded on an ongoing basis in order to reach greater numbers of our partners throughout Australasia, the South Pacific, South East Asia and the rest of the World.

We would value your input into this venture, if you have skills to offer, ideas of training programmes that would be in demand in your sphere of influence, or the desire to be trained yourself, please send an expression of interest to the email address below.

Please supply name, email, phone, area of interest including; skills to offer, interest in delivering local program (include area of training, potential size of co-hort), interest in being trained (include area of training)

CHRISTIAN EDUCATORS' CERTIFICATE

SCEE is excited to announce the proposed structure (incorporating the Staff Training, Educators' Conferences, SEW and SET programs) for the **SCEE Christian Educators' Certificate (CEC)**. Please note this is not a complete list of all currently available materials or events that will be required for the Certificate. The Certificate will have a degree of flexibility to reflect staff interest and position. For example, high school teachers would not need to complete the ABCs for English Learners' Training.

For more information about this Certificate please contact the Course Leader.

Participation in the SEW and SET programs will already be earning you credits towards this qualification.

ONE OF OUR GOALS

• • •

is that every staff member in the South Pacific region should obtain a SCEE Christian Educators' Certificate. Every student must liaise with their in-school Level 2 Trainer.

KEEPING YOUR RECORDS

You will need to place all your SET and SEW books and also copies of the SCEE Connect Magazine and your Certificates of Attendance of the Christian Educators' Conferences in a Lever Arch File or Ring Binder to make sure that these records of your participation stay in good condition and remain available for reference. SCEE has created a Contents List for you to make sure that you have everything that you need in your folder.

SCEE provides a handbook on the Role and Responsibility of the Level 2 Trainer. If you or your school does not have a copy of this handbook, please contact schools@scee.edu.au

Special Offer

FROM SCEE TO STAFF IN SILVER STATUS SCHOOLS

It has been brought to our attention that some of the dedicated staff working in our A. C. E. schools find it difficult to provide a Biblical worldview education for their own children due to the cost involved.

These teachers sacrifice their time and expertise to teach children God's ways. They often do this at the expense of a better paying job because God has called them to minister in the school.

SCEE would like to support these staff by offering a reduced cost to the purchase price of their child's PACEs and help them to afford enrolling their own children in a private school offering the A. C. E. program.

In order to find out more about this special offer, please contact us for further information.

schools@scee.edu.au

NOTE: There will be certain requirements that have to be met by both the school and the staff member to qualify for this benefit.

You also have to be enrolled for a SCEE Christian Educators' Certificate, employed in an accredited school, and have knowledge of your school quality status with SCEE.

AMAZING Testimony from FIJI

Two former A.C.E. students from Suva Christian Community High School in Fiji were admitted to the Fiji Bar earlier this month. Keresi Samuta and Darren Hickes both graduated with the A.C.E. New Zealand Year 13 Certificate and entered the University of the South Pacific to study Law.

Darren is the very first A.C.E. student in Fiji to complete the entire A.C.E. programme from K-Class to Year 13 and then go on to university to earn a degree. Darren Hickes graduated with the A.C.E. New Zealand Year 13 Certificate (Honours) in 2011. He participated in all the Regional Student Conventions during his time at school. He also travelled to South Pacific Conventions in

Toowoomba and Christchurch. In 2017 Darren graduated from the University of the South Pacific with two degrees, a Bachelor of Laws and a Bachelor of Arts, and was admitted to the Fiji Bar in August 2018 after completing the Professional Diploma in Legal Practice.

Keresi Samuta graduated in 2010 with the A.C.E. New Zealand Year 13 Certificate. She competed at Regional Student Convention, her strength being music vocal. Keresi travelled to Toowoomba for South Pacific Convention and to International Student Convention in Missouri. She graduated from the University of the South Pacific with a Bachelor of Laws and was admitted to the Fiji Bar in August

2018 after completing the Professional Diploma in Legal Practice.

Restructuring the New Zealand Certificates

In New Zealand the Accelerated Christian Education academic certificates have enjoyed University Entrance status for some years. The Level 3 Academic Certificate was recognised as University Entrance *ad eundem statum* by Universities New Zealand and accepted by the universities throughout NZ. This has proven to be very valuable to students wanting to pursue university studies and something that FACENZ has worked hard to protect.

When SCEE introduced the regional certificate structures to the South Pacific a couple of years ago, FACENZ decided that it would be good to harmonize the NZ certificates with the regional certificates, but wanted to make sure that we retained university entrance status for our higher certificates. A great deal of consultation, discussion, negotiation and soul-searching followed as we set out to:

- Provide students with internationally benchmarked exit certificates that are acknowledged and accepted by tertiary institutions globally.
- Ensure a strong Biblical worldview education at the highest levels
- Maintain a consistent certificate standard throughout our Region.
- Bring NZ certificates in line with the Regional certificates.
- Ensure the NZ certificates maintain university entrance recognition.
- Provide a certification system that has value for students is transparent and simple to understand for end users.

After two years the result is three exit certificates harmonised with the regional certificates. That is, a Certificate of Achievement; a High School Certificate based on the Regional Year 10 certificate and a High School Advanced Certificate (a Year 12 certificate). Because NZ

has a 13 year school system, it wasn't appropriate to name our certificates year 10 and year 12.

To maintain the University Entrance status and to make it easier for non-A.C.E. institutions to understand our certificates, an endorsement of an academic standard based on the NZ educational system has been introduced. Any of the certificates can be endorsed with a New Zealand Level 1, 2, or 3 Endorsement once students achieve the required academic standards. The New Zealand Level 3 Endorsement requires 16 credits, with at least 8 or those credits being from approved NZ Level 3 courses. Students must also include Algebra I and English I, plus a Bible course at PACE 109 or higher. Full details of the certificate requirements will soon be available in the certificate guidelines manual.

The new certificates and endorsements will be introduced from 2019.
