Please **NOTE**:

This is relevant to all countries in our region and should be read in the context of your local educational requirements. In this Catalogue the term “educational resources” is used in cases where Australian Curriculum is supplemented partly with SCEE Educational Resources but in offshore regions it is used as “curriculum” or “A.C.E. program” where used as a whole program.

You may access the SCEE webstore with your favourite Web Browser (Firefox, Google Chrome, Safari, Internet explorer etc) by entering webstore.scee.edu.au in the address bar. Login or if a new customer go to <http://www.scee.edu.au/webstore/> to request a login. For existing account holders, please contact SCEE for your username and password key.

TESTING AND DIAGNOSIS

NOTE: Tests can be used for students who know how to read & those who can't yet.

A student's academic needs must be diagnosed before the proper resources can be prescribed.

Each Diagnostic Test comes with simple instructions. The School is responsible for diagnosis of students. NOTE: Students are tested for literacy, grammar and numeracy, reading, spelling and comprehension. They are not tested for specific content in Science and Social Studies.

School

Assistance with analysis of these tests is available at schools@scee.edu.au.

Homeschool

Analysis of Diagnostic Tests should be done by your homeschool provider who will set an appropriate learning strategy according to the outcome.

READING DEVELOPMENT

Kindergarten with Ace and Christi :This kindergarten (Pre-School) resource is designed for students tested “not ready to learn to read using the Reading Readiness Test.” Sixty PACEs (2,000 pages) filled with Bible and animal pictures, coordination development activities, and full-colour picture stories prepares a student to learn to read. They will also learn social skills, the wonders of God’s world, and the reality of God’s love. Another feature for you is the self-instructional format for guiding students through a pre-reading course to prepare them for the ABCs with Ace and Christi.

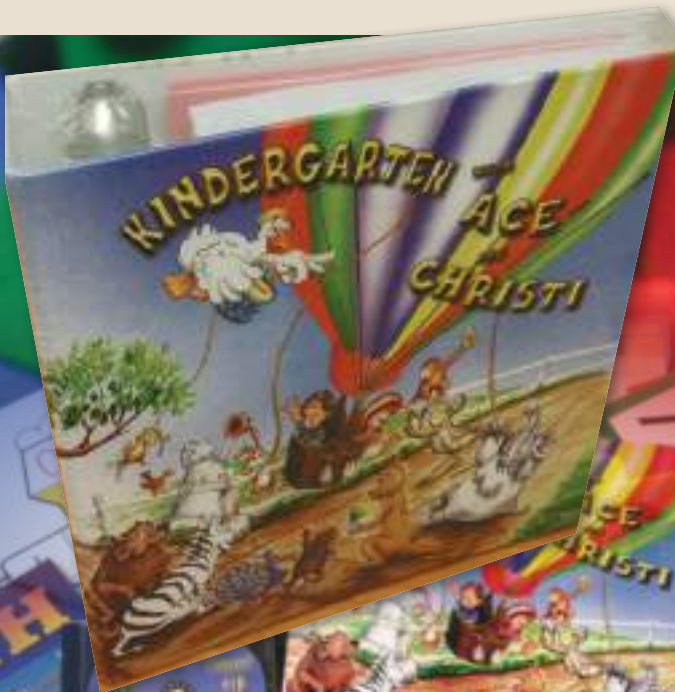

This is a pre-reading program.

LEARNING-TO-READ RESOURCES

ABCs WITH ACE AND CHRISTI

A two-volume daily instructional manual contains detailed step-by-step, east-to-follow, complete plans for the day. (Total of 900 pages). A.C.E.'s multi-sensory, phonetic learning-to-read resource, often referred to as Level 1, is designed to prepare a student for the guided individualised instruction of the PACE resources. Within a period of 12-15 weeks, your student becomes acquainted with phonics through animals, songs and stories. These features help the student to learn letter sounds, alphabet sequence, and word relationships. Your student is helped in their physical and character development through poems, displays and various activities. Each student receives a special diploma (in the Kit for the parent or school to present) for completion of the Level.

NATIONALISED RESOURCES

Whenever a suffix (406011A) is added in the Item Code it means there is a nationalised resource available. They will include national currency, measurement, history and geography for the following countries, Australia (A), New Zealand (Z), Papua New Guinea (NG), Indonesia (I) Fiji (F) and Solomon Is. (SI).

ABCs with Ace and Christi program contains all Level 1 subjects.

MATHEMATICS 1

In Level 1 Math the student learns numbers in symbol and name from zero to ten, counting from zero to one hundred, and simple addition and subtraction.

Table with 3 columns: PACE Number, PACE Code, Score Key Code. Rows 1001-1012.

SOCIAL STUDIES 1

Build reading skills while introducing young students to the basic principles of life. Students learn to recognize and are challenged and motivated to do what is right. They also learn to be kind, to share, and to be obedient to rules and laws. This Level requires reading character-building stories and answering questions.

Table with 3 columns: PACE Number, PACE Code, Score Key Code. Rows 1001-1007.

Table with 3 columns: PACE Number, PACE Code, Score Key Code. Rows 1008-1012.

ENGLISH 1

Level 1 English material reviews consonant and vowel sounds and introduces reading and writing of word families and sentences. As the student develops reading comprehension skills, they find satisfaction and success in reading, good hand writing, and spelling.

SCIENCE 4

The student learns about matter and the laws of nature and early researchers with their equipment. Microbiology are studied. The student learns about simple standards by which scientific observations are made -measurements, time, length, weight, and temperature in both metric and English systems. Botany, zoology, meteorology, geology, are fascinating subject matter and intrigues the fertile mind of students at this Level Science JOURNALS - can be used in conjunction with the PACEs providing a measurable and practical application for the concepts learned.

Science Journal **409037SJ** 1037 -1048

The Student Science Journal provides students with a journal to record their science inquiry projects. Each science inquiry project coordinates with the science content presented in the corresponding Science PACE. Instructions for conducting the science inquiry projects are in the Science PACEs. The Student Science Journal has extra journal pages that can be used to record additional science projects.

BIBLE READING 4

The Books of Mark and Luke are read. The student continues studying the Books of the Old Testament in sections: Law, History, Poetry, Major Prophets, and Minor Prophets. They continue answering questions about the Bible while learning more of its great character traits.

PACIFIC ISLANDS SOCIAL STUDIES

This is a new series of PACEs (available from 2024) taking the student on a journey through the Pacific Islands. NOTE: Students taking this course cannot receive credits for NZ Social Studies 1085-1096. This course focuses on the South Pacific Region and includes studies on Antarctica, Cook Islands, Fiji, Australia, Samoa, Vanuatu, Tonga, Solomon Islands, Papua New Guinea, New Zealand. It has an overview of smaller Islands such as New Caledonia, French Polynesia, Tuvalu, Kiribati, Nauru, Niue, Tokelau Easter Island, Pitcairn Island, and Wallace and Futuna Islands. Students develop skills in map work, graphs, family trees, interpreting

newspaper articles, timelines, weather maps, and population pyramids. A written assignment and 4 research projects are required.

MATHEMATICS 6

The student engages in a comprehensive review of basic Math concepts; completes detailed examples in interactive instruction; expands knowledge of fractions and decimals; studies the relationship between fractions, decimals, and %; builds thinking, reasoning, and problem-solving skills; and develops skills in pre-Algebra and geometry. Students are actively involved, whether learning new concepts or practicing applications. Concepts are presented logically and completely, allowing students to achieve mastery.

LITERATURE AND CREATIVE WRITING 6

In conjunction with reading six resource books, students will learn and practice many new and useful writing skills. From literary illustrations, they will be guided to use various literary devices and write original paragraphs of summary; comparison and contrast; cause and effect; fact and opinion; and exposition, description, persuasion, and narration. They will also see how such paragraphs develop into larger literary works and, then, use these different formats in their writing of essays. Biographies and autobiographies along with the writing of news stories are also part of this course.

Each science inquiry project coordinates with the science content presented in the corresponding Science PACE. Instructions for conducting the science inquiry projects are in the Science PACEs. The Student Science Journal has extra journal pages that can be used to record additional science projects.

BIBLE READING 6

Students read the Books of Romans, Corinthians, Galatians, and Ephesians. They continue answering questions about the Bible while focusing of Godly character traits.

Maths Solution Keys

Have been developed as a tool to assist you in aiding your student through Math PACes 1073-1096. The Solution Keys only include problems from this series of PACes that require more than a single step of working. These are available at a minimal cost - see Math Levels Products.

See page 38-66 for more information ON each DIFFERENT SUBJECTS

HISTORY DEPTH STUDIES

WHY USE THIS RESOURCE?

- It's flexible. The resource may be used to support independent student work OR be used in a whole-class setting.
- It's individualised. The educator can set specific word or time limits/ boundaries that allow students to engage with the material at their level.
- It's engaging. The student is not only reading about history, but actively engaging in the process of investigating the past.
- It meets Australian Curriculum requirements.

Investigation Workbooks for Level 7 and 8 present the student with engaging tasks requiring the use of their historical investigative skills. The student is introduced to the required new terms and concepts and given a brief overview of important background information. They are taught historical research and writing skills required to complete their research task. In the final section of the workbook, students demonstrate their understanding and mastery of the required research and writing skills through a scaffolded assessment task. Workbook includes all in one text and workspace for the student.

ENGLISH 7

Identifying, reviewing, and diagramming simple, compound, and complex sentence patterns. Students review principal parts of regular and irregular verbs. Verb study involves perfect tenses as well as conjugation of all six tenses. Progressive verb forms, troublesome verbs, transitive and intransitive verbs are studied as well. Noun and pronoun study becomes more intense. Infinitives, participles, and gerunds are introduced. Writing skills are expanded through sentence variety, outlining, paragraph and composition writing, and proofreading.

MATHEMATICS 8

Students review basic number theory, use a protractor and compass, find perimeter, circumference, area, and surface area, converts from binary and octal numbers to the decimal system, exponents, simplify radicals and estimates the value of numbers that are not perfect squares. They add, subtract, multiply, and divide monomials and polynomials, solve word problems, ratios and proportions. They use Pythagorean Theorem, Pascal's Triangle, graphs, translations, reflections, and rotations on a coordinate plane, and business and consumer mathematics.

Please **NOTE**:

This series of SOCIAL STUDIES PACEs 1073-1078 (workbooks) is a handy tool to help your student in their future career planning. It lays the Biblical foundations for work ethics, job choice, success and exposure to new careers that they may not have considered simply because they had no exposure to it. They provide learning support.

SCIENCE 8

These Earth Science PACEs introduce specific areas of study such as astronomy, volcanology, topography, oceanography, meteorology, and mineralogy with proofs of Creation. Students learn about the perfection of God's design for the universe. Weather Science is a fascinating study as part of these resources.

ALGEBRA I 9

Basic algebraic concepts are introduced in a carefully structured way so as to make the learning material understandable. These resources include principles for logically solving, transposing, and cancelling algebraic equations. The student works with: Monomial and polynomial expressions, algebraic addition, subtraction, multiplication, and division, Factoring, quadratic equations, positive and negative numbers, averages, percent, interest, ratios, and proportions.

Videos for Algebra I are found online at scee.edu.au/resource-library

ETYMOLOGY - WORD BUILDING 9

This resource leads students to an understanding of word origins and demonstrates the value in knowing those origins. An emphasis is placed on learning the spellings, meanings, and functions of words. Practice exercises show the student how to avoid wordiness and how to be precise in the choice and use of words.

Included are studies of birds, mammals, fish, amphibians, reptiles, sponges, coelenterates, molluscs, echinoderms, worms, arthropods, plants, and micro organisms. A study of the human body includes the integumentary, skeletal, muscular, nervous, circulatory, respiratory, digestive, and endocrine systems. Genetics and embryology are incorporated into the study of the human reproductive system.

How many teens can logically come up with the answers to the problems they face from day to day? This course: develops the deductive reasoning powers of students, and reviews previously learned material. Introduces new concepts as the student learn properties and theorems and how to use them for solving problems, to reason logically and systematically

ENGLISH II 10

Give your students experience in several areas of writing. This resource begins with an intensive study of the four kinds of paragraphs and practice writing each. From there, students move on to biography and autobiography, with a detailed reading and study of *God's Tribesman and The Hiding*

Place providing examples. The resource also includes poetic forms and poetry appreciation, but students especially enjoy and are challenged by the study of various types of newspaper articles and techniques for writing them. Also included is practical application of library skills, how to locate and use the fiction section, reference books, and the Reader's Guide to Periodical Literature. Grammar is an integral part of this course, and special emphasis is placed on correct sentence structure and noun and verb functions, including verbals.

PHYSICAL SCIENCES 10

Science does not have to be mind-boggling! The Physical Science resource presents, in clear and understandable language, an introduction to chemistry and physics. After finishing the course, the student will have a better understanding of Science, and a good foundation for more rigorous chemistry and physics courses. The first PACE has a pop-out section that includes a Periodic Table of the Elements and Rules for Solving Problems. Each PACE contains a short story interspersed between sections of the text. Each story deals with a particular problem faced by many of today's teens. The character, in the process of solving his problem, applies Scriptural principles and demonstrates character development.

ENGLISH IV LITERATURE 12

Do your students know what constitutes good literature? They will learn as they complete our 12th Level English course. All twelve PACEs provide examples and analysis of the best literature from various writers and literary periods of British literature. Students learn how to evaluate a writer's style and technique and find reading of classical works enriching and enlightening. Along with reading comes opportunity for self-expression as students write summaries, comparisons, contrasts, sketches, and evaluations. Grammar is an integral part of the resource with thorough review of parts of speech, sentence structure, and proper usage. Most unique is that the text for grammar exercises provides the Biblical perspective of life principles. Writing skills are covered along with basics of speech preparation and presentation.

MUSIC

Designed for serious music students, this six-PACE resource can also be a tremendous teaching tool for music teachers and church or school choir directors. Students are introduced to various kinds of instruments and are taught how to read music, find notes on a keyboard, and learn to recognize notes, key signatures, and time signatures. The final PACE, Developing an Appreciation for Music, presents biographies of well-known composers and requires two CDs that include one or more selections by each composer. Students are tested on their ability to recognize theme music from some of the selections.

AUTO MECHANICS

Understanding the Automobile is designed primarily for use in classrooms and workshop situations. It is a study of the function and relationship of the nine systems that work together to make the automobile work efficiently and smoothly. It is recommended that automotive systems and parts be demonstrated. This is an old course, but is still useful for practical instruction. There are 6 units in this course.

BUSINESS MATHS

Business Math is a high school elective designed to help students utilize their practical knowledge of basic arithmetic to solve various business activities.

Beginning with a review of arithmetic fundamentals, this resource uses these skills in the following business applications: calculating payroll, cheque and savings accounts, taxes, insurance, discounts, purchasing, pricing, and selling. All concepts are clearly presented in a self-instructional format, allowing the student to achieve mastery of one concept before moving on to a new one.

CALCULUS

This course presents mathematical concepts and skills in the study of calculus. Each unit contains review concepts and presents new materials. Unit One is a brief overview of functions with emphasis on finding limits and finding derivatives and the rules of differentiation. Further units in this this course include tangents, anti-differentiation and finding areas under graphs. Students study continuity and limits, composites and inverse derivatives, polynomials, integration and solving differential equations.

SOULWINNING

Challenge your students to be soulwinners!

Give them the information and tools they need to be effective in reaching the lost for Christ! This PACE instructs students in the Biblical mandate for winning souls; how to approach the lost in a caring, tactful way; appropriate questions to ask to create a desire to hear the Gospel; what Scripture

passages to use when presenting the Gospel; how to clearly present the plan of salvation; and how to make soulwinning part of their daily lives. Suitable for Grades: 9-12.

ENGLISH AS AN ADDITIONAL LANGUAGE RESOURCE

Speaking English with Ace
and Christi

Educational Help Aids to assist in learning and enhance the enjoyment of learning.

These courses are designed to support and enhance the existing educational material. To lend aid to students who have English as a second language or those students transitioning from another program to the A.C.E. Educational resources in their secondary levels.

The Speaking English with Ace and Christi resource provides the means for the young school-aged student who does not speak English as the first language to become sufficiently acquainted with spoken English to prepare him for reading the English language.

Speaking English with Ace and Christi includes a series of 60 lessons intended to help young students learn conversational English skills at levels appropriate for the successful comprehension of and participation in the ABCs with Ace and Christi resource.

This resource provides lessons for aural and oral language development, which include:

English language for everyday listening and speaking, which will allow students to function in homeschool activities and routine.

- English vocabulary necessary for students to succeed in the ABCs with Ace and Christi resources in English and in the Word Building PACEs 1001-1012.
- English communication structures, which allow students to express verbally their questions, statements, needs, and ideas in English.
- English language skills necessary for students to progress through A.C.E. Math, English, SOCIAL STUDIES, and Science: PACEs 1001-1012.

ENGLISH AS YOUR SECOND LANGUAGE RESOURCE

This DVD and study guide resource is geared for adult thinking at an adult maturity level. This means the student should have some degree of motivation to learn English and be willing to review a lesson until they understand it. Lessons are short and fast-paced, designed so that the non-English-speaking student can complete it in 6-12 months. By that time, the student should have reached an intermediate Level of proficiency. The resource lends itself to a small group review or to individual use. It is self-paced, self-instructional, non-threatening and individualised, and places no unrealistic demands on the student. Excellent for use by organizations who want to provide this as a community service, the resource includes ten DVDs and one workbook.

English As Your Second Language Resource provides:

- Intense reading and phonetic (sound system) mastery, including phonics and linguistic-type activities

- Total Physical Response (TPR) (concrete understandable English)
- Math-oriented lessons with semitranslation of numerals to communicate the names
- Powerful presentations integrating audio, visual, and kinesthetic ways to learn whereby the student is more than a viewer, but an active participant through the variety of approaches and activities in each lesson.

English As Your Second Language items may be purchased separately.

BRIDGING GRAMMAR RESOURCE

The grammar PACEs DO NOT replace the English PACEs and are not available for students continuing on PACEs.

The Grammar PACEs are designed as a bridging resource for students who start using the A.C.E. resources as late starters. These students are required to complete the Diagnostic Testing and if they diagnose 2 levels or more below their chronological level, then the full set of Grammar PACEs should be prescribed. These students are usually in Grade 8,9, or 10 and would otherwise have no way of completing the English

requirements for Graduation. Please contact your service provider to discuss your options using the Grammar course.

This resource will cover essential concepts from English PACEs 1037 to 1096. The Grammar PACEs 1-12 are designed to prepare your student for English 1097 -1108. At the front of each Grammar PACE, there is a letter to the educator, outlining the relationship to A.C.E. English PACEs so that educators and home educators can support their student's understanding of English grammar and prepare their student for success with English 1097 onwards.

000062

The Pilgrims Progress Part I and Part II

John Bunyan (Lit 9) "Christian" is a man on an adventurous journey across rough terrain, over sunlit hills, and through dark valleys. His trek is an intriguing allegory for today - mixed with the chivalric adventure of yesterday - as the pilgrimage takes us from the city of Destruction to the Celestial City whose builder and maker is God.

000094

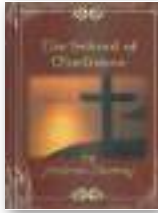

Robinson Crusoe

Daniel Defoe (Lit 9) The sole survivor of a shipwreck, Robinson Crusoe is stranded on an uninhabited island far from any shipping routes. At first he is in despair, but slowly, with patience and ingenuity, he transforms his dismal island into a tropical paradise. But for twenty-four years he has no human company - until one Friday, he rescues a prisoner from a boatload of cannibals.

"I have a passion for teaching kids to become readers, to become comfortable with a book, not daunted. Books shouldn't be daunting, they should be funny, exciting and wonderful; and learning to be a reader gives a terrific advantage." - Roald Dahl

The School of Obedience,

Andrew Murray (Christian Growth 133) Originally presented as a series of messages at a student conference in Africa, Andrew Murray challenges every Believer to examine his willingness to obey God at any cost.

000140

The Hour that Changes the World

Dick Eastman (Christian Growth) A classic book with a 21st century challenge. You'll be challenged to spend one hour each day in prayer. As Joni Eareekson Tada writes in the foreword. "through these pages the Lord Jesus catapulted me into a whole new dimension of joy. Dick Eastman's book is arguably the most significant book on prayer written in modern times."

000135

Nervous Christians

L Gilbert Little (Christian Growth 135) In this day of unsettled world conditions, social tensions, increasing crime and moral laxity, multitudes are emotionally disturbed. Worry, stress, and anxiety assault us from all sides and Christians are not immune. But Christ and His Word offer a solution. You can be free from the entanglements of anxiety!

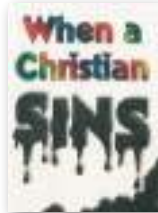

000136

Spirit Controlled Temperament

Tim LaHaye (Christian Growth) PACE 139) provides answers patterned after ancient models of human behavior and grounded in the Word of God, making this a classic read for all Christians. Temperament. You're born with distinct strengths, but also weaknesses that can hold you back. God wants to transform your natural weaknesses to make you dynamic.

000137

When Christians Sin

John R Rice (Christian Growth 137) Becoming a Christian does not nullify the old nature but, rather introduces a new nature which wars against it sometime the old nature overpowers the new—and a Christian sins. An honest, straightforward approach, this book clearly shows the danger of sin and the need for continual cleansing.

000142

This Way to Happiness

Dr Clyde M. Narramore (Christian Growth 138) A study of the basic needs of all humanity and how they are met fully in Christ, This Way to Happiness encourages students to trust God to meet emotional needs like financial security, love, and belonging, while overcoming fear and guilt.

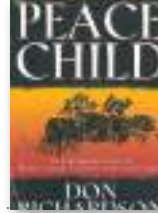

000142

Peril by Choice

John Beekman (Missions 1) Here is sacrifice, heartbreak, suffering, persecution, and above all, triumphant love that conquered the powers of darkness. The story speaks for itself because of the tremendous witness of John and Elaine Beekman who made peril their choice! This book shows the reader how a translator works interpreting and spreading the Gospel message.

000073

Peace Child

Don Richardson (Mission 2) In 1962, Don and Carol Richardson risked their lives to share the gospel with the Savi people of New Guinea. Peace tells their unforgettable story of living among these Papuan head-hunters and cannibals who valued treachery through fattening victims with friendship before the slaughter. God gave Don and Carol the key to the Savi hearts.

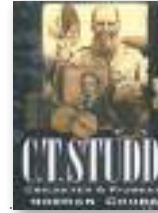

000075

Beyond the Next Mountain

Mawii Pudaite (Missions 3) When a simple young missionary answered God's call to share Christ with a tribe of head-hunters in India, even he could not foresee how God's message would change the lives of the Hmar tribe. They had no Bible and relied on memorization to learn God's Word. See how God used this humble servant to radically change the lives of thousands of people.

C.T. Studd

Born to wealth, educated at Eton and Cambridge and hero of the British cricket loving people, C.T. Studd created a stir by renouncing it all and following Christ.

000132

The Triumph of John and Betty Stam

Geraldine Taylor (Missions 5) John and Betty Stam gathered their servants together to pray about the matter. Suddenly their prayers were interrupted by a loud banging at the door. It was the communist forces. Experience their triumph through pain and suffering at the hand of unbelieving communist forces and rejoice as many Chinese people accept Christ through their self-sacrifice.

000156

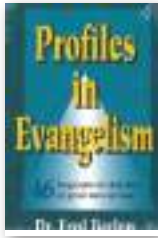

Flagellant on Horseback

Richard Ellsworth Day (Missions 6) The life of David Brainerd, however, can hardly be classified with any majority group – for his is a class of its own. Sickness, discouragement and failure meant nothing to David. His only joy was to pour out his very life for the service of God and the furtherance of the Gospel. This book will challenge you to consider what is really important .

Twice Freed

Patricia M. St. John (English 1107-1108) Onesimus is a slave. Eirene is a rich man's daughter. Onesimus longs to gain his freedom and Eirene's love, but he doesn't realize where true freedom lies. He wants nothing to do with Jesus christ, even though his master, Philemon might follow His teachings.

000404

God's Tribesman

James and Marti Hefley (English 1110) For many years they had been waiting patiently for a Bible in their own language. The amazing thing was how God had orchestrated the whole event. Many years before, God had called a young man from the Wales to go to the hills of India. The drama of Rochunga life will help you overcome your fears.

000125

The Rime of the Ancient Mariner

Samuel Taylor Coleridge (English 1140) The charm of an old English ballad. The poet appeals to the senses by portraying an old mariner who, with engaging passion and vivid description, tells his miraculous tale.

000124

Silas Marner

George Eliot (English 1141) The people of the sleepy little English village of Raveloe have had questions about Silas Marner. Intertwining betrayal, rejection, and the wounding that embittered him toward God and drove him to a lonely, loveless life of self-imposed slavery. In the end, Silas becomes rich in the true sense of the word.

Note: To ensure fair service to our customers, orders are processed according to the date they arrive at the office.

1. VITAL INFORMATION

The following information is required for orders

- Your Account CODE (On each invoice - the first four letters of your surname or school and digits. eg JOHN009 for Johnson).
- Your NAME or SCHOOL (eg: Mr and Mrs J. Johnson).
- Your Delivery ADDRESS (eg: 123 Adelaide Street, YOURTOWN, QLD 4720).
- Your PHONE NUMBER.
- Payment details

2. PAYMENT DETAILS

Company policy is payment with orders. If an order is unpaid, it will be held until full payment is made.

Home School Family Registration is to be paid prior to the release of an order.

• Credit Card

Please provide your Credit Card Number and Expiry Date.

We require a written signature for you to use credit card facilities. Please request a Credit Card Authority form if you anticipate either making a phone or email order. (Fax orders can be signed to give correct authority).

Cheques are to be made out to SOUTHERN CROSS EDUCATIONAL ENTERPRISES.

If Payment by cheque does not cover the full order amount, further payment will be required before items are released.

3. PRODUCT INFORMATION

Please direct any queries, regarding what to order, to the organisation in which your students are enrolled BEFORE ordering.

All OUR Products are now listed on the SCEE order forms. A product catalogue and a subject 'Scope and Sequence' are issued at enrolment or on request and also can be downloaded or viewed by the Web : www.scee.edu.au

You should always consult your "prescription advice" and note carefully which PACEs and keys you already have in stock before ordering as restocking fees apply where product is ordered and returned.

4. ORDER TURN AROUND TIMES

We need your assistance to speed up everyone's order processing.

Please place your order online. This is requested in order to reduce error rates or order queries and lessen staff time spent on phone calls instead of processing orders.

Guideline - Generally, orders are processed in two to three working days but during our busier times longer delays can be experienced. Orders are handled in half day batches, checking of accounts, processing of payment, entering, printing and checking, "pulling" from the shelf and dispatch for any given batch will occur over a few days.

To minimise delays - ensure your account and registration are up to date and payment is included with your order. January to June are

our busier months and a week's worth of orders can be in the trays waiting for processing when we receive your order. While we dispatch all customer orders as quickly as possible, to avoid disappointment please send your order, at the latest, before your students begin their last PACEs.

In fairness our policy is to process orders in the order they are received.

Disruptions to processes occur, eg June stocktake, unpacking of shipping containers or staff leave.

5. WEB ORDERS

- Product catalogues are issued at enrolment or on request, and can be downloaded from the Web.
- Customers are requested to submit orders online. This is to assist with error reduction and smooth processing of customer orders. Refer to the product catalogue where necessary.
- Keep a copy of the order that you have placed with us. When you receive your order you should carefully check it off against the enclosed invoice. Discrepancies should be reported to SCEE immediately (see f below).
- Shipping Adjustment Form: Claims - Errors See Claims.

6 Important: Freight Information Please read carefully

- Delivery Instructions are the Responsibility of the Customer
- In the absence of these instructions, we will use FedEx Air Courier for INTERNATIONAL consignments and Australia Post for DOMESTIC consignments as a rule.
- FedEx is generally quicker and more reliable than the Post Office for overseas deliveries. However, there are certain advantages and disadvantages with both services.
- FedEx offers a tracking service which is not provided by the Post Office. The delivery time tends to be considerably shorter than the Post Office. Most deliveries are door to door. However, in certain cases FedEx costs more than the Post Office Air Mail service. Also, in certain countries, additional charges may be levied on top of Import duties, VAT, GST, and taxes. These may involve "Administration charges" or Storage fees in cases where FedEx has needed to store a consignment on behalf of the customer. It is therefore in the client's interest to obtain this information prior to placing an order with SCEE and advising us what method of delivery you would prefer. Australia Post is preferable to FedEx for some countries because of Customs clearance procedures. The responsibility for obtaining information about import duties and taxes is the Customer's not SCEE's.
- Overseas customers should be aware that import duties and fees may be levied by Customs Authorities based on the declared value of goods in a consignment. Our goods are described as "EDUCATIONAL MATERIAL - NOT FOR RESALE". However, we cannot say they have "NO COMMERCIAL VALUE" as a financial transaction has taken place between us as

the supplier and you as the customer.

- Our invoices will list two amounts. One will be the total value of the order including freight. The other total will be a comment in the body of the Invoice: VALUE OF GOODS EXCLUDING FREIGHT IS \$..... This second value is purely the value of goods without freight. Depending on the country of destination and sometimes even the local official involved, duties and taxes may be payable by you as the recipient and importer of the goods. SCEE cannot guarantee that no taxes or duties will be payable by the client irrespective of the carrier.
- It is the customer's responsibility to familiarise themselves with their own country's Import Laws (ie. Import Duties such as GST and VAT)
- If you are uncertain about the cost of a particular delivery service, you can contact SCEE for a quote. However, this quote will not include any of the charges mentioned above.
- **Delivery of Overseas consignments**
- With overseas deliveries it is vitally important that the addressee provide us with a current and complete street address plus contact telephone number and other details (ie. e-mail address). International couriers will only hold goods for a few days before returning them to the sender. Should this occur because it has been established that the client has not provided sufficient contact details to SCEE on their order, then return freight charges will become the liability of the customer.
- Should you be away from your place of residence (eg. travelling) during a time when the courier is attempting to deliver goods, it is your responsibility to advise SCEE and to provide some other means by which to collect goods.

FedEx (Where schools consolidate their orders into a single consignment which is sent to a nominated freight forwarder in Singapore)

Consignments shipped directly to Indonesia from Australia, require an import license if they exceed 100kg in weight.

SCEE has sought to obtain the best possible delivery system taking into account, cost, speed, reliability and tracking ability.

Australia Post Air Mail is available as an alternative for all regions. However, transit times are generally longer and the service less reliable and no tracking service available.

Sea Freight

Sea Freight is only economical for orders above a certain weight. For goods being sent to most South Pacific destinations including Indonesia and Singapore, your order will need to be above 40kgs before it even starts to become cheaper than air freight. For example, sending 40kgs will cost approximately the same by sea freight or air freight. This is because of all the administration charges applied to sea freight consignments in addition to cost of actual freight.

Sea freight is a good option for larger orders where transit times are not crucial. SCEE uses Vanguard Logistics for sea freight consignments. If you have a preferred carrier, you will need to forward the details to SCEE with your order.

Please contact the SCEE Office for a quote if you are interested in this option.

RETURN POLICY

1. SCEE accepts returns from customers for materials purchased strictly within 90 days from date of invoice. Materials must be returned in saleable condition, unmarked, unstamped, with no sign of shelf wear.
 - (a) A 20% RESTOCKING FEE will be charged for each return with an ex GST value less than \$100.00. A 15% restocking fee applies to goods returned with a value over \$100.00 ex GST.
 - (b) OVERSEAS: Consider the costs of restocking and freight against the value of goods being returned.
 - (c) NOT ACCEPTABLE FOR CREDIT ARE: Score Keys (answers), out of date (ie PACEs and Keys from an earlier edition) items, cassette tapes, DVDs, disks, CD's (computer software including web-based products) training materials, printed forms and individual components of sets or kits. Note: If a PACE Test is removed, or detached from the PACE, Sets or Kits that have been opened or assembled, this is non-returnable.
2. PROCEDURE
 - (a) Find the invoice number, complete a Claim/ Return form and send to SCEE.
 - (b) Properly wrap, tie, and tape the carton. Newspapers should not be used for packing materials as it smears the PACEs. Avoid clips and squeezing lots into small envelopes. Damaged goods may be refused for credit.
 - (c) Credit will be applied to the customer's account. When next ordering, check your account credit / balance with SCEE and deduct any credit from your order payment

(d) Credit may also be refunded to the card originally used for purchases.

Claims - Order Discrepancies

We take great care in filling, checking, and packing your order. Unfortunately errors can and do occur. We will endeavour to rectify errors as a matter of priority. Any errors in your order should be recorded on the Shipping Adjustment Claim form and returned to the SCEE Office. The Shipment Adjustment Claim form must accompany any queries concerning an order.

1. INVOICE - Verify with your copy of the order upon receipt. Please check your invoice and order carefully. If there is a problem return this completed form to us within 20 days, 30 days for overseas customers. Claims must be filed within this period of time. NO ADJUSTMENTS CAN BE MADE AFTER 20 DAYS.
2. MISSING / INCORRECT ITEMS - Any errors in your order should be reported immediately to the SCEE office orders@scee.edu.au then complete a Shipment Adjustment Claim form (attached to the back of order forms) and post the forms to SCEE. Enclose the incorrect material items (if applicable).

Overseas customers MUST contact SCEE before returning any resources, info@SCEE.edu.au

It is vitally important that the adjustment claim has ALL the details relating to your claim; especially the complete information from the reference line on the invoice, the invoice number and your customer code. Do not send a new order in the same envelope as return items. Crediting of returns does not follow the same time line as order processing.

3. ACCOUNT CREDITS - Providing the error was a handling error (SCEE) and not an ordering error (you), write the cost of postage to return the items on the claim form before sealing the envelope. Where SCEE can establish an order error by SCEE, a refund of the postage amount can be credited to the customers account.
4. DEFECTIVE MATERIALS - Items will be replaced at no charge. Complete a Shipping Adjustment Claim form (located on the back of the order form) identifying the materials and type of defect. Send the form and the materials to SCEE. Your account will be credited for postage incurred in returning the materials. Indicate on the form whether you would like to have the materials replaced or credited to your account.
5. LOST SHIPMENT - If the shipment has been lost or shipped to the wrong location, the customer should contact the Dispatch Department. If you have not received the correct number of boxes, wait two or three days and then call the Dispatch Department. Multi-part consignments can become separated. Do not sign a delivery docket where the total number of boxes delivered does not correspond with the number of boxes indicated on the delivery docket.
6. DAMAGED SHIPMENT - Contact the SCEE office immediately.
7. DAMAGED MATERIALS - (determined AFTER opening shipment). Materials that have

been altered or damaged by the customer cannot be accepted for credit. Indicate on the Shipping Adjustment Claim form (located on the back of the order form) the items damaged in shipment and send to SCEE

Note: SCEE recommends that families maintain a record of all payments, invoices and credits. DO NOT send cash by mail

1. TRADING TERMS - Home School Families - full payment with each order.
2. INVOICE TOTALS - All invoice totals are to the exact cent. No rounding is performed.
3. PAYMENT - Forms of payment (in Australian Dollars) accepted by SCEE Ltd. are:
 - a. Cheque, Bankdraft or Money Order (in Australian Dollars)
 - b. Credit Card (Mastercard, Visa) see below
 - c. Cash - over the counter only.
 - d. For schools only -Telegraphic transfer (TT's) and Direct Debits (DD's)

Credit card purchases must include: Name on card; card number and expiry date. This advice must be included on each order which is to be charged to your credit card unless a current Credit Card Authority form is provided to SCEE.

4. TAX - Prices from 1 July 2000 are affected by the Goods and Services Tax (GST). The GST is charged on invoices for goods sent within Australia ONLY. The tax is not included in the product list price and will appear as a separate item on your invoice. The total amount payable to SCEE is the price to customers plus GST.
The Australian Goods and Services Tax is not payable by Overseas customers. Check with your authorities regarding your obligations.
5. STATEMENTS - Statements are issued monthly. To track your account balance please keep invoices and credit notes and record the amount of payments made to SCEE.
6. PRICES - Prices are subject to change without notice. It is the policy of SCEE Ltd. to keep prices as low as possible. Fluctuations in the exchange rate and the cost of goods overseas generally dictate price movements of our products.
7. DETERMINING THE COST OF YOUR ORDER - In order to accurately determine the cost of your order online. Australian customers must add 10% (GST) to the total value of your order including freight. Product Catalogue with the SCEE Order Form, please call the office for help before submitting your order.
8. FREIGHT, PACKAGING AND INSURANCE (FPI) - Minimum freight charges apply including insurance.

Certificates In order to qualify for a SCEE A.C.E. certificate, part of the requirements will be to check your purchase history for compliance.

Note PLEASE CHECK ORDERING PROCEDURES BEFORE ORDERING.

SCHOOLS

FAST TRACK ORDERING SYSTEM FOR URGENT ITEMS

SCEE recognises that, from time to time, most schools will need to place an urgent PACE order. These circumstances usually mean that the PACEs must be obtained as quickly as possible. In order to address this need more efficiently, SCEE is now offering a FAST TRACK Ordering System for urgent items.

The following conditions will apply to this system. Australian Schools

The service is limited to 5 PACEs or 500 grams per order (allowing us to use an Australia Post Air Service not exceeding 500 grams). If an order exceeds 500 grams, it will be split into two satchels, or a larger satchel is used (whichever is the lower cost for the school). Fast track orders will automatically be sent by Express Courier.

Overseas Schools (Fiji, Indonesia, New Zealand,

PNG*, Solomon Islands, Vanuatu, Tonga, Nauru, Cook Island)

The service is limited to 5 PACEs or 500 grams per order. FedEx or Express Courier International will be used automatically. Orders above 500 grams may incur an extra cost based on the final weight of the item. The full cost of the freight and associated import charges must be borne by the school.

The service is limited to urgently needed items e.g. PACEs or a required reader only (Non-essentials such as flags or forms will not qualify).

A non-refundable \$1.00 "Fast-track Fee" would apply for each item in the order (i.e. 1 PACE, \$1.00, 5 PACEs - \$5.00) Freight charges will be in addition to the Fast-track Fee.

Cut-off times. A fast-track order must be received at the SCEE office by 12 noon in order to be processed for shipment the next working day. Every reasonable effort will be made to ensure the order is dispatched on the next working day.

Order placement must be emailed.

Delivery times are outside SCEE's control once the order has been dispatched and therefore cannot be guaranteed.

Any school account which has an overdue balance or is over its pre-determined credit limit may not avail itself of this service until the account is brought back within the normal trading terms.

A special Fast-track order form will be used for those schools choosing to email their order. The Fast Track Fee as well as the freight charge (pre-printed) must be added to the cost of the PACEs.

This arrangement is subject to review at any time. Although every effort will be made to dispatch the order as quickly as possible, SCEE cannot offer any guarantee about delivery time. All freight charges and fees are non-refundable.

*PNG schools must provide a valid Credit Card number or have available credit in their account to cover the full cost of the order freight and fee.

9. BACK ORDERS

Should an item ordered be listed as "out of stock" on your invoice, it will be back ordered for you. When the item comes back into stock, we will send it out to you freight free. DO NOT reorder out of stock items as you will most likely end up with a duplication of the product and charges.

10. ORDER DELAYS

Order delays may be experienced, refer to office hours, stocktake and holidays. See also order turn around times and vital information.

1. All consignments and orders are dispatched using the most efficient and cost effective method.
2. Customers are advised to clearly mark their street address (package delivery address) on their order form. Couriers require a street address and contact details to make deliveries.
3. If your delivery address involves use of a Post Office Box; R.M.B. (Roadside Mail Bag), M.S. (Mail Service) etc., we must use Australia Post.
4. Please remember to advise the office of any change of delivery address as soon as possible and complete the change of address details on your next order.
5. If you have special delivery instructions, you must clearly mark these on your order.

Example of Item or Product code in the Product Catalogue

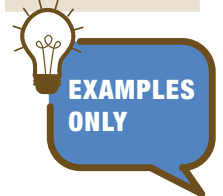

6. All freight and handling charges are payable by the customer.

Where it has been established that the office has made an error (i.e. goods not dispatched according to customer order, damaged items, etc.) OR an item is placed on back order, freight charges are not payable by the customer.

7. SCEE will not split orders in order to bring them under a certain value. (Customers may submit separate orders which will be subject to two lots of freight charges).

PRODUCT OR ITEM CODES

One major change for users of this **webstore** will be the use of **product codes/item codes** from the **SCEE Product Catalogue**. Generally when using our order forms or ordering by email, you indicate the subject and the PACE no. When our data entry staff enters your order they convert that information into the product codes. The product codes have always been there. The PACEs have a product code printed on the back. Knowing a little about the product codes will assist you in using the webstore.

The product code for PACEs is generally a six digit code on the back of the PACE which would be the same number displayed in the product catalogue; sometimes with letters or it could be all letters. For **nationalised Social Studies** there will be a (Z) New Zealand, (NG) Papua New Guinea, (I) Indonesia, (A) Australia, (F) Fiji, or (SI) for Solomon Islands at the end of the code i.e. 406010A.

We recommend that you use the latest version of the Product Catalogue.

This Catalogue has been revised to display the **product codes/item codes** in the format they are used in the webstore.

Access the **Webstore** with your favourite Web Browser (Firefox, Google Chrome, Safari, Internet Explorer, etc.) by entering webstore.scee.edu.au in the address bar.

Link: <https://webstore.scee.edu.au>

Login

At the top left hand side is the Login option. Click on it. Your **User Name and Password** will be provided by Southern Cross Educational Enterprises Ltd.

In most cases your email will be your username, except for schools or cases where more than one login is required.

It will take you to the area where your User Name and Password will be required.

Frequently Asked Questions:

Q. I have a customer code, how do I get my login details?

A. Email orders@scee.edu.au, include your customer code and ask for access to the webstore. Alternatively visit www.scee.edu.au/webstore/ fill in and submit the form there.

Q. I have entered the details that you provided, but they do not work?

A. In most cases this will be a password problem. At the login screen click the link, "Forgot your password?" A screen will display requesting your username, enter your username and press "Submit" within 10 minutes you will receive an email with a new password. Attempt to login again with that password. If you continue to have trouble email web@scee.edu.au

MANAGING ONLINE ACCOUNT

Clicking on the Your Account link at the top of the page will display the My Account screen. Please avoid using commas if changing or adding information in these screens.

USER INFORMATION:

My Profile - Allows you to update the details of the logged in user.

Note: This does not change the main account details. That is done under account information.

Note: Make sure that you have a working email address in the Email field. Order confirmations and password reset requests will be emailed to this Email.

My Subscriptions - will let you know what you are subscribed to

Order Information

This contains Saved Lists of items you were interested in.

Order History - Allows you to search a history of your previous orders.

Order Approvals contains orders waiting approval.

Account Transactions - A listing of your transactions with SCEE: Invoices, Credit Notes and Payments can be viewed from here.

Previously Purchased Items - A listing of all the items you have previously purchased.

Account Information

This screen allows you to modify information stored regarding this account such as contact details and delivery information.

Note: Please keep a current email address in the email field, as this is used by our in-house system to email documents to you.

Account Addresses - This screen allows you to edit and add both your billing addresses and delivery addresses used by our systems.

Note: If you are adding or modifying an address please take note of the following:

- DO NOT use commas (,) in any address fields. This will cause delays in our dispatch processes.
- For delivery addresses within Australia, please check your post code/suburb/state with the Australia Post. Find a postcode tool.

<http://auspost.com.au/apps/postcode.html>

Enter your address in the SCEE webstore in the format they recognise.

Example: When you enter Mt Gravatt, it displays Mount Gravatt. If Mt Gravatt was entered, Australia Post will reject the address when we send it to their system. **This causes delays in our dispatch process.**

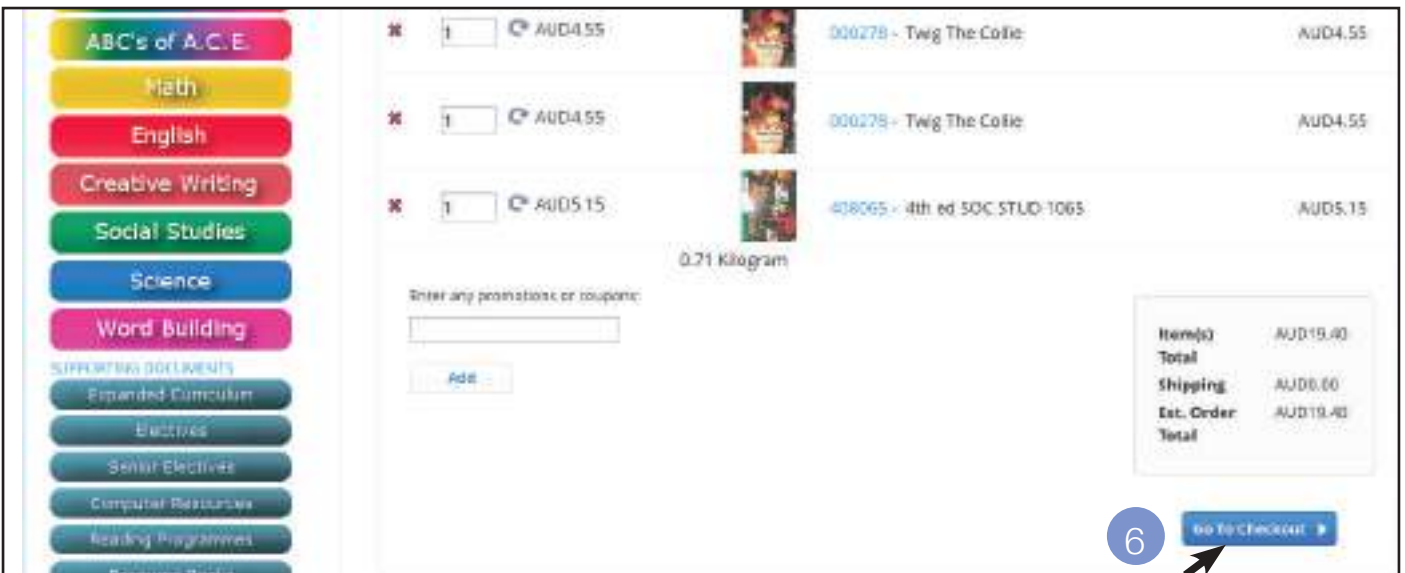

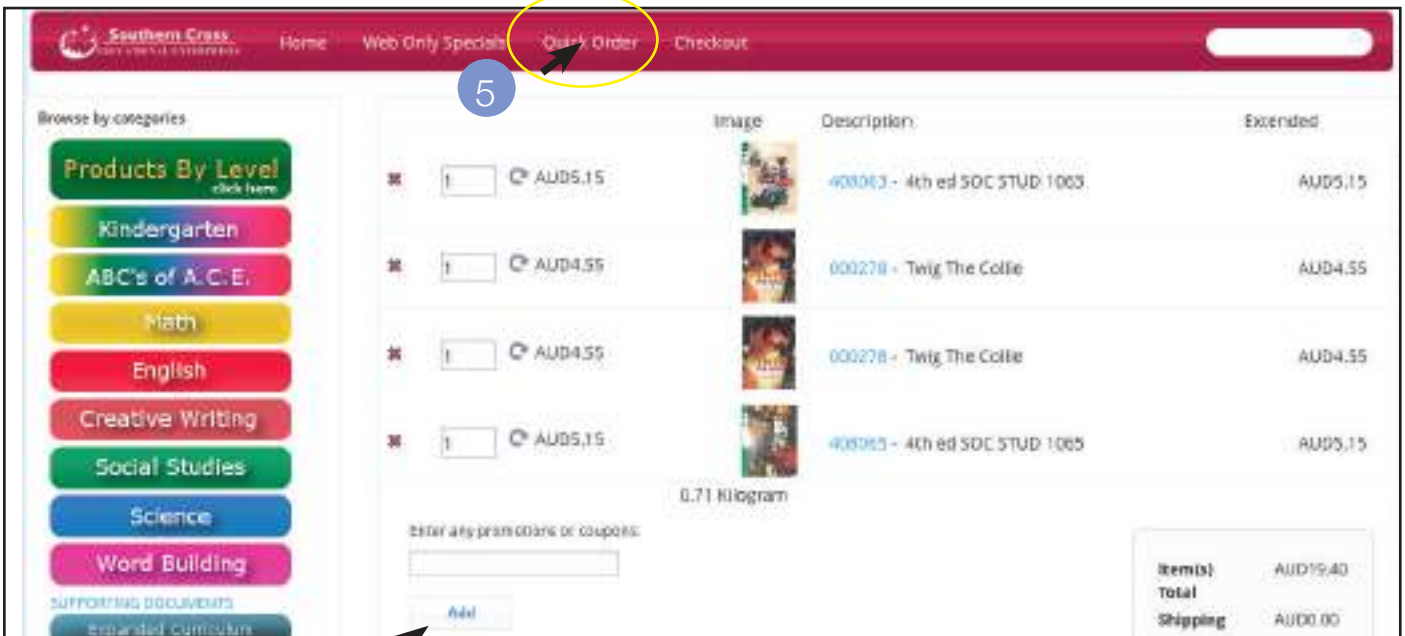

DO NOT try to enter instructions like, "please leave at back door if not home". All our shipments are sent requiring a signature. They will not be left without a signature.

User List - Manage users that can access your account. This will mostly be of benefit to Schools who may need more than one person to place orders.

Important: Do not add a user here who is not authorised to place orders on your behalf. You will be liable for all orders placed through this webstore.

To add more items to your order click Quick Order again.

If you need to add any more click on **QUICK ORDER** again until you have finished, then click **ADD** to go to checkout. Continue to Step 7.

All other Options from steps 6 continue from here.

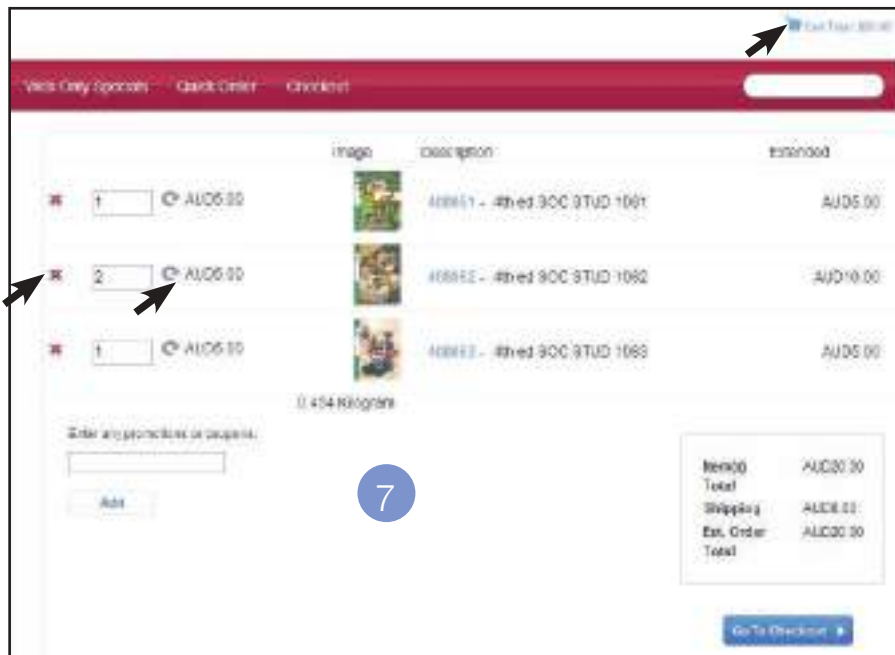

After selecting and inserting the number of PACES required from either Products By Level or from the Subject menu, the BUY button can be clicked on.

This will add the products to the Cart Total.

For checking the products in the cart, the Cart Total indicates a running total and product list

From this screen you can return to shopping by clicking on one of the Category Items down the left side of the screen or the Quick Order link on the top of the screen. If you are finished ordering click the Go To Checkout button.

Please note: The shipping or freight cost is not calculated at this point as it needs to have a freight type selected.

Edit the Quantity of an item - Click In the Qty. field, and edit the value, click the refresh icon  to the right to update the row and totals.

Delete a line - Click the red x to the left of the Item that you wish to remove

THE SHIPPING SCREEN - DELIVERY

Fill in all the required fields for the address that the products need to be shipped to and a phone number. Note: you can choose from the saved addresses on the right hand side of the screen.

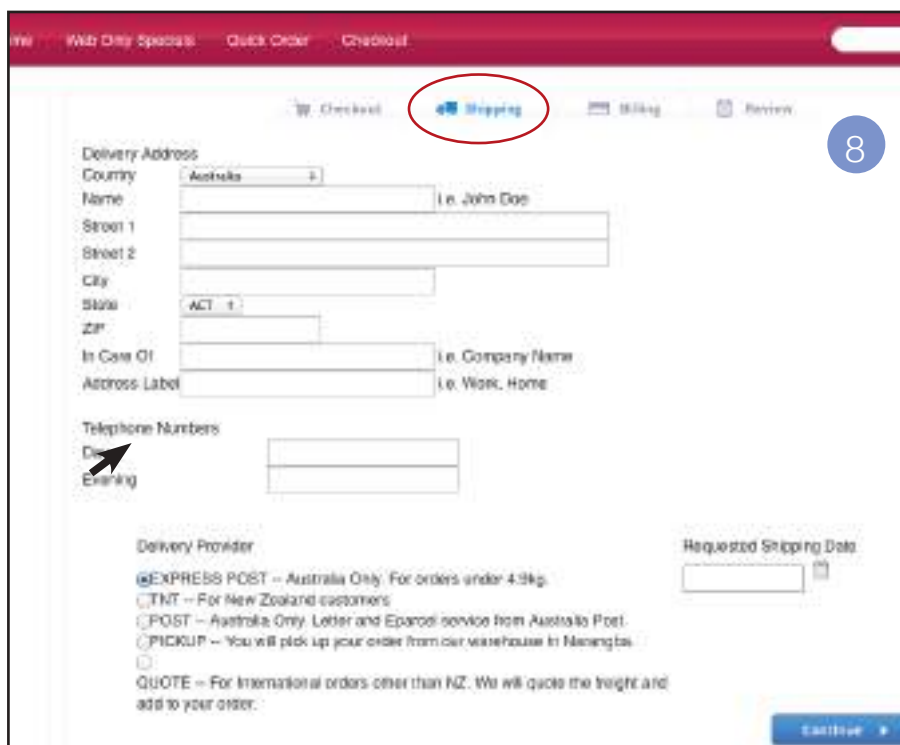

Select a postage preference:

The system will only display the freight options that are applicable to your order. The freight types are:

For Orders in Australia choose either:

Post - For Australian Customers we use Australia Post. Smaller orders are sent as letters and larger orders by the eParcel service.

Express Post - Also for Australian customers if your order falls within a certain weight range it can be shipped by Express Post.

For Orders from New Zealand

FedEx - For Customers in New Zealand we ship via FedEx. This or Quote should be the only options displayed.

Ordering from countries outside Australia and New Zealand:

Quote - For other regions we do not yet have freight tables in the system for your region (these are different for each country and quite complicated). This means that we will calculate the freight and send you back a quote for your order that includes the freight.

BILLING SCREEN

Then on the **Billing Screen** choose either:

PayPal - this will allow you to pay your order using PayPal or a credit card. For Orders outside AUSTRALIA/NZ, we will contact you for additional payment for freight.

CCA- If we have received authority to use your Credit Card we will charge you accordingly. For Orders outside AUSTRALIA/NZ we will add your freight and charge it to your card.(If we do not have this authority it will delay the process)

Account - **FOR APPROVED ACCOUNTS ONLY** - your account will be charged according to your account terms. For Orders outside AUSTRALIA/NZ we will add your freight to your order and ship your order according to your account terms.

NOTE; When selecting QUOTE on your SHIPPING screen the above mentioned payment options for freight will be charged accordingly.

WEBSTORE POLICIES

Products currently available from SCEE are listed by category. Prices are correct as at time of listing but may change without notice.

Each customer will be required to enter a unique Username and Password before they can make a purchase.

Existing SCEE customers will need to contact the SCEE Office for their Member log-in and initial password.

The password may be altered by the appropriate user and only issued to those individuals vested with the right to place orders with SCEE.

Once an order has been submitted to SCEE, it will be deemed to be a legitimate order and downloaded into our accounting system. The goods will be shipped in exact accordance to information provided by the customer. It is the sole responsibility of the school/customer to ensure that they have submitted an accurate order and is aware of the goods that appear on the final version of the order. If you have any questions about the process, please contact the SCEE Office on 07-3881-5777.

Once an order has been submitted, you will not be able to alter it online. If you discover that you need to make changes to the order, you will need to email us immediately. We will endeavour to adjust your order where possible, but it cannot be guaranteed. Web orders are prioritised and may have been processed already, if this occurred you may need to submit a new order for any additional product, or return unwanted products according to the SCEE returns policy.

Any alterations done by SCEE on your behalf after an order has been submitted may result in delays.

Freight charges will be additional to the value of the order placed and will appear as a separate line item on your invoice.

Please consult your Product Catalogue for complete details regarding ordering, shipping, returns and account queries or view the link to Ordering Information.

An on-line payment facility is currently offered for Credit Card or PayPal. Payments can also be made by telegraphic transfer, direct deposit and cheque. Accounts that are overdue will result in orders being placed on hold until the account balance is brought back within the agreed trading terms.

As part of the ordering process, you will be requested to confirm the address to which the consignment is to be dispatched. As with the order itself, these details will be transferred to your account. Therefore, it is important that correct and up to date information is provided with each and every order lodged.

The Products listed on this site can all be found in SCEE's PRODUCT CATALOGUE (current edition ONLINE). This document is downloadable as a PDF. A full price list of all products and services offered is viewable under: "Distribution Services; catalogues and Order Forms".

The following information is viewable in the PRODUCT CATALOGUE and/or Order Forms: Refunds and Returns Policy; Trading terms and Conditions; Order Turn Around times; Delivery Instructions; Freight Charts; Prices
